All agencies have a local residency preference; this means if you do not live/work or will be working in the waiting list preference/service area then you will be required to relocate to the service area in order to use the voucher to rent a unit and receive voucher rental assistance.

Example:

You live in Richmond VA but apply to the Pembroke Inc. (PMI) Waiting list on January 10th. Your application will be accepted but your application will be placed at the bottom of the list since applicants that live/work in Craig, Floyd, Giles, Montgomery or Pulaski counties will be served first. When your name reaches the top of the waiting list you will be given the opportunity to be issued a voucher but you must relocate to one of the areas that the PMI serves. You must move to the service area of PMI in order to use the voucher and lease a rental unit. You must reside for 12 months in the service area before relocating to another area outside of the PMI service area.
