FREE VHDA HOMEOWNERSHIP CLASSES SET FOR HAMPTON ROADS IN APRIL 2009

RICHMOND, Va. – Are you interested in becoming a homeowner but don't know where to begin? The Virginia Housing Development Authority and local nonprofits are offering free homeownership education classes throughout April 2009 in the Hampton Roads region.

Homeownership education classes cover topics including credit issues, personal finances, home inspections and the role of lenders and real estate agents. In addition to helping home buyers understand the home buying process, the completion of a homeownership education class is now required of all borrowers before applying for a VHDA home loan.

Attend one of the many free sessions below to learn about the advantages of homeownership.
